

MAJOR PRODUCT CHANGES

OVERVIEW

The Transit Connect lineup consists of 16 Body Codes that offer various side and rear-door glass configurations, as well as multiple seating options that enable owners to customize the Transit Connect to meet their specific business and/or personal-use needs. With two powertrain choices; class-exclusive driver-assist features; enhanced interior comfort and convenience, and a stylish appearance, the 2020MY Transit Connect will continue to dominate the compact van segment. To learn more about the features on this vehicle, go to www.fordsourcebook.com.
